Michel F. Romero

Petitioner,

vs.

Warden Eliseo Ricokol,
Respondent.

Civil Case No. CR2300023 JAS

28 U.S.C. § 2241 for Immediate
Release As President Biden and
Merrick B. Garland Signed Into
Law Amended Federal First
Offender's Act

28 U.S.C. § 2241 for Immediate Release As President
Biden and Merrick B. Garland Signed Into Law Amended
Federal First Offender's Act

It is axiomatic that pro se filings should be liberally construed. See Erickson v. Pardus, 551 U.S. 89, 94 (2007). "In practice, this liberal construction allows courts to recognize claims despite various formal deficiencies, such as incorrect labels or lack of cited legal authority." Wall v. Rashick, 42 F.4th 214, 218 (4th Cir. 2022).

I am asking for immediate release from prison to be put on supervised release per the amended Federal First Offenders Act that was signed by President Biden and Merrick B. Garland Attorney General on January 2025. I am guilty of a crime that is covered and I am first time offender which qualifies me for immediate release. I make this under the penalty of perjury that the aforementioned is true and correct.
